(1990-2011) TMI Focus
HEMI-LYNC Compilations

Hemi-Lync: Making Global Connections was a bulletin board that appeared regularly in the TMI Focus from 1992-2007. It was designed to connect readers with people, events, and publications around the world that had something to share about Hemi-Sync and The Monroe Institute.

Feedback (1995-3)
New Frontier magazine's November/December interview with Bob Monroe sparked lively, positive discussion in the "... letters" column of their January/February issue. One reader commented, "God and Monroe in one issue . . . some accomplishment."
